“ Sherman and Jeane, I am very sorry for your loss. Shane was a great young man and I always enjoyed talking with him whenever I was in Salisbury. His easy going demeanor helped to make me feel welcome. He was a sports fanatic and could always fill me in on what was going on. He will be sorely missed by all of his DMS coworkers.

“ I know Shane through work. He is my Customer Service Rep. and I will miss him dearly. Every time I speak with him he is polite - professional and always found a way to help our Company. He always spoke kindly and lovingly about his Parents. I am so sad for your loss - I feel I have lost a kind friend. I will always have fond memories of talking Alabama Football with him. I will miss him very much.

“ I had known Shane for many years, as we work for the same company. We never worked side by side, due to a separation of about an 8 hour drive, but I had the pleasure of talking to him over the years, and had always found him to be nothing short of a complete professional and gentleman. It was a shock when I had heard the news of his passing yesterday, as he was such a young man with many years ahead of him.

"Only the good die young", comes to mind when I think of Shane and that he was just short of another birthday. All of his troubles are gone, with the exception of the pains left behind for his closest friends and loving family.

All my prayers and thoughts go out to Shane's family and all of his coworkers @ DMS-Salisbury NC, as they truly were a part of his extended family.

*Rest in Peace,*

*What a shock! Mr. & Mrs Wilson, I am so sorry for your loss! I used to work at DMS Woodstock, and only met Shane a few times, but he always impressed me as being so polite and kind. Please accept my family's condolences and know that our prayers are with you. We will always miss the ones we love and lose. I hope you will find comfort in the days to come, knowing he is in God's hands, and will never be frightened or alone again. God Bless you.*
