“*I am so sorry to hear of your mom's passing. I came by to see her a few years ago on our way to Charlotte. Our daughter lives in Winston Salem and so often after that visit we talked about going back to see Boolie when we would be at Traci's.. I'm sorry we never got back. I remember as a little girl going to your mom's house (next door to where she lived recently) and your dad worked on the second shift at Cannon so your mom would entertain a few of us kids each evening. She was a remarkable woman and will be greatly missed. Our prayers will be with each of you.*

“*Our prayers and thoughts are with the family as you grieve. Even though it has been quite some time ago, I remember how gracious Mrs. Collins was to me whenever I was in her house. May the good memories be forever with you.*
