“ *What a wonderful and beautiful woman Mildred was! Mildred was working for my father, Smith Kirk when I was born, and so I’ve known Mildred all of my life. It would be a long time before I realized she wasn’t actually a family member, but a dear and close friend who happened to work for Dad. I have no doubt that she and Dad (and now Mom too) are reunited and rejoicing in Life now. Mildred was and is a committed believer in the One who provides that Life, and I’m appreciative of that legacy she leaves behind....*
