“ *My deceased father HH Doby, Sr. of Spencer thought the world of Pepsi and considered him a very dear friend for years. They spent many hours at the doughnut shop and cruising the roads of Spencer! My Dad had the upmost respect for him and his family. The last time my father saw him in person was about 3 years ago when my brother drove my dad up to see him in South Boston for an afternoon with a best friend. God rest his soul.*
