“ *I went to work for Mecklenburg County in November of 1972 and Mitch was there. He was always so nice to me and so much fun. He liked to tease and joke with all of us 'girls' and it seemed like everybody knew him. Both fellow co-workers and customers and everybody thought very highly of Mitch. He was a terrific fellow and I am sure he will be missed by his family and friends.*

My deepest sympathy. Debbe King##imported-begin##Debbe King##imported-end##

“ *I worked with Mitch for many years in the tax department. Those of us who worked with him were always amazed at how you could give him a map book number and he would right away tell you the area of town and even some of the streets! I have many fond memories of Mitch and consider it a pleasure to have known him.##imported-begin##Sharon Sapp##imported-end##*
