“ Lee & Family- It was last year that we celebrated Jack's BD. Our visit was a memorable delight of love, laughter and family ties. DeLanie's, Cameryn's & Sydney's hearts were introduced to the many surprises of Jack's joyful playfulness, humor & zest for life. Jack had an incredible influence on my life, even in childhood. I'll cherish our time together and will reflect on his spirited life accomplishments & contributions, broken-heartedly. With love, Janice, Sam & family##imported-begin##Janice T. “ Dear Cousin Lee and family. I was so sorry to learn of Jack's death. I feel very fortunate for having had the opportunity to get to know him in our later years! I appreciated you contacting me and our getting together for dinner when you were in Southern CA. And then the great fun couple of days when you and Jack welcomed our whole troupe into your MD home some years back! I know you have many wonderful memories to treasure and fill your hearts as you go through this difficult time. God love all of you. “ Although we haven't seen Jack and Lee for many years, they remained our very good friends since they were our "up the street" neighbors. We think of them often.
Our children and theirs are the friends they always knew.
I was our good fortune, that by chance, we met and got to know Jack. He will be profoundly missed by everyone who ever knew him, especially on his family.
Jack, Lee and his whole family will be remembered in my prayers##imported-begin##Joe Gregory##imported-end##
