“ Read about Eva's death after the graveside service. Regret we were unable to attend. We enjoyed working together for the Republican Party back in the days when they were not many of us and when we did not win many elections. As the party grew in numbers, the Republicans began winning. Eva was a kind and generous lady who always gave good advice. She was a friend to many who will miss her. Our thoughts and prayers are with the family during this time of sadness and celebration of a life well lived.##imported-begin##Phil Kirk##imported-end##

“ Kenneth and Walter...we were so saddened to hear of Eva's death. She was so wonderful to Ruth...they were good friends. Raymond enjoyed many discussions of Duke basketball with Eva. We were out of town on Wednesday so we could not attend the service. Please know you are in our prayers. We loved Eva.
