“ I loved her sweet self so much. She was the same every time you saw her. She was so thoughtful and would go out of her way to make me Copper peenies for every family gathering. And for those that know me, know that carrots are not my favorite but hers were so good!! Her and my daughter Taylor would always joke that they were birthday twins since they shared the same day. We will miss her sweet and kind ways but we know that she is well taken care of until we see her again. ❤️
