“ To Peggy, Dana, and family,  
I am sorry to hear of your Mom's passing. She was a very sweet lady. I remember her fondly from many family reunions over the years. The last time I saw her, Joel Stockard and I visited her with my Dad (Sonny) and Larry right after she moved into a nursing facility. Prior to that we also visited her at home. I also remember and appreciate Harold and Naomi coming to our wedding in Greensboro in 1984. You and your families are in my prayers.

“ Dana, Peggy and family, I am so sorry for your loss. I spent 12 years working with Naomi at Norman's. We also shared a break table. She was such a special lady. There aren't enough words to describe how beautiful and kind she was. A pleasure to be around. She talked about Harold and all of you with such love. We were all family at Norman's so we always knew what was going on in each other's family and felt a part of it. She saw my son grow up and I saw her granddaughters grow up. It tore us all up when they closed our doors. I have never worked with another group of people that I felt so close to. I was honored to be considered as Naomi's friend. I will be keeping all of you in my thoughts and prayers. Thank you for sharing your wonderful mom and grandmother with me for awhile. love you Naomi

“ Naomi was a beautiful and gracious lady who was always so kind to us. She was our aunt and was the last of The Greatest Generation in our family. Her husband Harold, my mother's brother, served proudly during WW II along with three of his four brothers. The youngest served during the Korean War. They all returned home safely and she and Harold raised two beautiful daughters. She loved her family so much and touched us all in very special ways. She had wanted to go home for so long and today she's at home with her beloved Harold and the rest of her family. We will miss you, Naomi! We love you. Gail

I do miss the get togethers we had when all of us were growing up. I forever miss sitting in backyards and either shucking corn or snapping beans. Their generation is what set the foundation for us. Miss them all. Naomi was such a beautiful woman. She has been missed.
