“ *Papa was a very loving, straight forward, kind man. His words of wisdom rang in all of our ears at one point or another. His actions spoke louder than words. He cared so much for every one around him and only asked for love and a willingness to listen in return. We loved him so very much. Now he is with Ma-T in a place of peace and I am sure they are both very happy looking down on all of us.*

*I love you Papa.*
