

Ned Alton Storey

October 30, 1937 - December 29, 2020

On Tuesday, December 29th, Ned Alton Storey passed peacefully at the age of 83. Ned had been in declining health over the past several years, but strength of will and a team of talented physicians allowed him to attend his granddaughter's wedding this fall, and also celebrate his grandson finishing graduate school and getting his first job.

Ned was born in Norwood, NC to John and Mary Storey on October 30, 1937. The family moved to Salisbury when he was 3 years old. Ned was on the baseball and football teams at Boyden High School, graduating in 1956. He was President of the Student Association and voted Best All Around by his senior classmates. He was also a member of the baseball and soccer teams at Pfeiffer College, before transferring and graduating from Catawba College in 1962 with a degree in Business Administration. Ned was also a member of the 1955 American Legion World Series team.

Ned married Mary Shull Tarman in 1965. He always jokingly told his grandchildren that he met Shully after walking past the church at Wake Forest and hearing her singing, but they actually met on a blind date. They were blessed with one son - Ned Andrew Storey.

Ned was the first employee of Carolina Color Corporation and traveled throughout the U.S. helping to grow the business as head of Sales. Health

issues forced retirement after 22 years.

Ned also led a life of example in service to both church and community. Early in his years of volunteer work Ned served as the General Chairman of the National Sportscasters and Sportswriters Association and helped coordinate the annual awards ceremony for many years. He was a long tenured member of First United Methodist Church of Salisbury and held multiple leadership positions at the Church. He also served on the Board of Directors for Habitat for Humanity and led the building campaigns of multiple Habitat homes sponsored by FUMC Salisbury. He was a Member of the first Board of Trustees of Hood Theological Seminary and was instrumental in leading the fundraising campaign that resulted in the Seminary establishing the move to its current campus. His dear friend Dr. Albert Aymer awarded Ned an Honorary Doctorate Degree in recognition of his contributions. Ned was also on the Board of Directors of Rowan Helping Ministries.

Ned was especially known for his quick wit and humor, and his passion for golf. He had three holes in one in his lifetime, and was an avid golfer until declining health forced him to enjoy golf through his hobby of collecting and trading golf clubs. He was a frequent visitor of the team at the Warrior Golf Club pro shop.

Ned is survived by his wife of 55 years, Mary (Shully) Tarman Storey, his son Ned Andrew Storey and wife Diana Storey, his granddaughter Katelyn Storey Lee and husband Alex Lee, and grandson Spencer Andrew Storey. Ned is also survived by his brothers Ron (wife Frieda) Storey and Roger Storey.

The family acknowledges with great appreciation the many years of support received by Ned's very talented physicians, including Neil Patel, MD, Brian Fazia, MD, and Ned's life-long dear friends and neighbors Dr. Myron Goodman and Mary Goodman. Ned's ability to cheat death more than once

over the past several years is a testament to not only his determination, but their expertise and skill.

A memorial service will be held for family.

In lieu of flowers memorials can be shared with First United Methodist Church, 217 S. Church Street, Salisbury, NC 28144 or Hood Theological Seminary, 1810 Lutheran Synod Drive, Salisbury, NC 28144.

Summersett Funeral Home is serving the Storey family. Online condolences may be made at www.summersettfuneralhome.com.

“*Dear Shully and Andy,*

Ned was an amazing fellow and the single biggest reason Gwin and I moved here over 20 years ago. While at Carolina Color, I benefitted tremendously by watching the legend in action. I'll never forget our road trips where he would tell story after story (many of them about you two) on our way to visit customers and, of course, a few golf shops along the way. He knew every one in the Carolinas and they all knew him! He will be missed by all of us and many others whom you've never even met. He was that kind of guy and we are all better to have known and loved him.

All the best,

Matt & Gwin Barr

You know how much my Dad loved Ned. I wish he were fully present so that I could tell him of his passing. But know that he regularly spoke of Ned as his brother, and he loved him dearly.

“ I’m very sorry for your loss. I will truly miss my dear friend. Ned was the master of wit and had so many stories to tell from life experiences including golf rounds we shared for so many years. Besides being such a good friend, he was a mentor and advisor for the golf business at Sundance and Warrior Golf Club. He would say put the club or product in the customers hand. Let them feel it. LOL. When Ned gripped a club, it looked so comfortable and a big smile would come on his face. He would say that looks like a normal club but now it’s an instrument . LOL. I’ve been to many golf shops out of town and when they find out I am from Salisbury, they ask if I know Ned. He truly made a positive impact on so many peoples lives. Thank you Ned for everything you’ve done for me. I will Miss you.

“ Rest in Peace my dearest uncle. You were indeed one of a kind. i adored your sense of humor, even when you were feeling so bad. You were the behind the scenes person so many times. You did the work that very few were aware of, but you accomplished so much. I love you and appreciate all you have done for me. You have earned the rewards you have received.

I never saw Ned Story when he didn't have a smile on his face and greet me cheerfully. My father and uncle had nothing but good things to say about him and they all grew up together.
