“ There are no words to express the depth of the sorrow I feel for your loss of Noah.

Noah left his footprint on many hearts and will never be forgotten.

He was a very special young man. Jn 11:25. Jesus said that whoever believes in him will live even though he dies; and whoever believes in him will never die. Noah is with Jesus forever. Love,

“ Noah your smile was infectious, you carried joy, love and happiness everywhere you went. I'm so thankful my family was able to be in your life after you and LaShaun met in K4 and became friends. Noah you are so loved and forever missed. I promise you my family will be there for your wonderful parents as we all learn a new way of living without you being here with us physically. Noah we know you are still with us in spirit and are now our angel. We love you man!!
