“ I will remember you... your door was always open to me, even though at 16 Peggy and I talked and laughed while you attempted to sleep. You were apart of mine and my family's life, teaching my daughter Heather to crawl up stairs at 18 months old. Otis you were like a second father to me and I will miss you. Don't worry about Peg... I will be there for her. With a loving heart. Denise

“ My name is Cindy Hunt and I am Mr. Ramsey's great niece. What I remember most about uncle Otis is his smile and great sense of humor. He always greeted me with a big hug and always asked how I was doing. My mom, Debbie Hunt, is his niece and what she remembers most about him is how kind he was. Uncle Otis, we love you and miss you, but we know that one day we will see you again.

*Lots of love to the rest of the family from,*
