“ I am so sorry for your loss. I read the article and my heart broke for you, but didn't realize she was "Patricia Barber" until I read her obituary. We grew up together. I lived in Meadowbrook and we went to Hurley Elementary together and we were in the same Brownie/Girl Scout troupe. We lost touch when I had to switch to the city schools, but I will always remember her. She was so kind and sweet. You and your family will remain in my prayers.##imported-begin##Cathy Cheves Gusa##imported-end##

“ I just want to express my sympathy to your family on the loss of such a wonderful woman! Two of my girls, Peyton and Parker Greene were fortunate enough to have her before she retired and I always gave her a hard time for retiring before my youngest two had the opportunity to enjoy her class! She was such a wonderful teacher and person!! We will be out of town for the funeral, but please know you will all be in our prayers.##imported-begin##Donna Greene##imported-end##
