“ To James and the family of Pat. I am saddened to learn of the death of your wife mother and grandmother. I remember her from high school and remember how pretty I always remembered her to be. It is always hard losing some one during the holidays but hang on to the wonderful memories of who she was to you. God's promise is to heal the broken hearted and in his time he will do just that. James I am praying for you and your family during this time. Earlene Queen Tarleton Spartanburg, SC
