“ I can simply and honestly say that of all the teachers I have had, as a child, a young man, and even through today, none has touched my life in as positive a manner than Mrs. Barrow had.
To her children and other loved ones, you may be assured that you were blessed to be a part of her family.##imported-begin##Rodger "Tom" Duncan##imported-end##

“ To the family of Pat Barrow,
My sympathies go out to each of you. Pat was a big influence on my life and many others. Pat taught me many things which I was able to use later in life. I ended up getting a BA and an MS in Chemistry. I also learned a lot about photography under her tutelage. She was well loved and thought of highly. I wish you all well during this time of grief. Pat and all of you will be in my prayers.
To Joe and Nancy, Sam, and Barbara(Bobbi), I wish you well and would like to hear from you if possible. I have been thinking of you all recently. If you can, please email me at: rjshaver@windstream.net. I apologize for not being able to make it to the service even though I will be there in spirit. Again, my condolences go out to you all.

Respectfully,

“ *If I were writing this from home (St. Charles, IL), I would see you at Ms. Barrow's Memorial Service. However, I am writing this from Baghdad and will not be able to attend.*

Ms. Barrow will be remembered as long as there is a tomorrow...she touched countless numbers of lives in the students and teachers she taught and mentored.

These students and teachers have in turn applied and will continue to apply the invaluable lessons she taught. Their students and families will in turn do the same. So it goes...and will go...from now on.

I am one of the luckiest people on on Earth because I got to spend countless days with...and learn from...Ms. Barrow.##imported-begin##B. Keith Simerson, Ed.D.##imported-end##

“ To Pat's children: I was fortunate enough to have your Mom as my teacher at Landis High School. She was my "measuring stick" for future teachers who I had over the years. Her sheer love for learning was contagious. I visited her at Morningside on several occasions and her love for knowledge was only paralleled by her love for her family. My deepest sympathy to all of you.##imported-begin##Lynette Roseman Fink##imported-end##
