“ I worked with Pat at The Furniture House in the late 80's, she and I would always work on Saturdays, as I remember she had a full time job during the week. We became great friends. After The Furniture House closed I lost touch with her. Later I ran into her and we had lunch and she told me she was a "care giver" for several people I knew. I was so sorry to read her obituary and to learn of her passing. Mark I am so sorry for your loss. Carol Sayers

“ Patricia and I were friends through 12 years of school (Wiley and then Boyden) and we remained friends. She was perhaps the kindest person I have ever known. I so admired her compassion for and advocacy for animals. I am going to miss her. My condolences to her family and her large group of friends.
