“ To the family of Ann: I am sorry for your loss. I first met Ann when I was 5 years old and entered Ijames Kindergarten. I remember Ann as we went through Kindergarten and 12 years of school until we graduated from BHS in '61. She lived only a couple of blocks away and we sometimes played together as children.

Ann was fun and a good friend. I remember her sense of humor. After graduation, we lost touch except I'd often see her mother, Lois, and she would update me on Ann. Growing up, Lois was extremely nice to us kids. My condolences to Lois and all Ann's loved ones. ~
