“ Patti was one of my first friends when I moved down. She and Anita became my 2 best friends....although we only spoke every few years, it was always as comfortable as if we spoke everyday. I have too many fond, crazy memories.....I will hold those memories dear since there won't be anymore..Patti was a true friend in every sense of the word

I hope her children are able to remember all the good times and it help them through this dark time

I love you Pat !! Happy Birthday
