“ *Miss Gerald, Julie and family: I was sorry to hear of Mr. Paul's passing last week and will be remembering all of you in my prayers. Thankful to know that Paul is now in the presence of his Lord Jesus because this means one day I will get to meet him which I am sad to say I was not able to here on earth. It has been said that as long as we speak often of those we love, they are never truly gone and always with us. May memories of happier times with Paul bring smiles and laughter through the tears.*
