“ Aunt Betty, I am praying for you and your family during this difficult time. I have been thinking about the reunion Uncle Paul had with his family when he entered heaven. Even though I didn't get to spend much time with you and him here on earth I will get to have an eternity to spend with you and him in heaven. All my love, Wes Woellhof

“ All my memories of Paul are great. He was the first pastor I remember as a little boy at the Concord Wesleyan Church in Concord NC. It was Paul that first preached Jesus and His love and salvation to me. I remember his preaching was always delivered with love and compassion and his love for Jesus Christ was displayed in his actions as well as his preaching. I remember his smile and diligence to reach out to people. I thank God for men with a calling that sacrifice themselves to the gospel. I pray in Jesus name that grace and mercy comfort you Betty and your family. My His tender love and Holy Spirit comfort you always. We love and pray for you through this time of your lives.
In Jesus Name,
