“ Last week upon the death of Barry Gupton, I saw your Mom,s obituary. She was so beautiful all the time....just like you, Elizabeth. Your Mom and Dad were always so nice to me when I visited with you to go swimming at the local pool. Those were very wonderful days as a child.

“ I have so many memories of beach trips with the Fisher family, the baby blue T-bird they drove and the impeccably dressed beautiful lady who treated me like another daughter. He beautiful daughter , Elizabeth will carry on her legacy. She will be greatly missed by many on earth but I know there is great joy in heaven. Much love to all. Sarah McCanless Haarlow
