“ I only recently got to know Peggy. When we moved my father-in-law, John, from Summit to Cadence, I started spending more time with John and got to know Peggy from spending time at the Cadence dinner table. She knew John from her time at Summit and really helped get him adjusted to his new environment at Cadence. Our family very much appreciates her doing this. During the past few weeks, John and I would go check on her if she was not at dinner. She was an advocate for all of the residence of Cadence. I will miss her. The Cadence dinner table will not be the same without her.

“ Dear Cynthia and family - I was deeply saddened to hear the news of your Mom's passing. She was a dear friend to our family and a very sweet lady. I shall always be grateful to her for her love, support, and encouragement when my Mama passed away unexpectedly and Dad's health was declining. She was "rock solid" in her walk by faith in God. My thoughts and prayers are with you and your entire family.
