“ Gary, please accept our sympathies for your loss. I remember Peggy's mischievous smile, dry humor and the best hugs. She was kind and honest and I cherish the memories of her at our family gatherings.

“ Gary, whenever I think of your mother, two adjectives come to mind -- warmth and compassion. She had a caring heart and a beautiful soul, two attributes she was kind enough to share with you.

“ Gary, your mom was always so much fun to be around. I always enjoyed being around your house and loved going on outings and trips with you all. The last time I spoke with her was after a Harper Band concert where she and I had a nice chat. I think of her and you and your dad every time I drive down Pennell St. Sorry for your loss. Mac
