“ *My heart just broke to find out that one of my favorite managers passed. Phil had been heavy on my mind so I did a search only to come across his obituary. Phil was a good man & it was a pleasure to call him my boss as he had a very nurturing spirit about him. He loved his family & his beautiful granddaughter. Thank you for sharing him with us at Vanguard. (Sheila Ledbetter)*

“ I served with Phil in Vietnam 68-69. Phil was a forward observer (a very dangerous job) and I thought he was the best in the company. What I liked best about Phil on our down time he was always in a good mood, a real cut up and always smiling. A few years ago we got together with a couple other guys from our outfit reminiscing about the Army and Vietnam for some good laughs at a Army reunion. I am sure Phil was a Great Husband, Father and Grandfather. So sorry for your loss Take Care and May God Bless.

“ Phil was a great friend. He will be missed by all of us. I have known Phil for 65 years, having grown up with him and being in school with him from the first grade through high school at Ashe Central High. The class of 1963 has lost a true champion.

Thanks for the memories and always smiling face. My prayers go out to the family in the loss of Phil.
