“ Prayers for Polly, Perry, Paula and the family for peace and comfort as you cherish those precious memories you shared with Phillip throughout your lives with him. It's very difficult to lose those you love, but when you know where they are and they are no longer suffering, it somewhat eases the pain. Phillips loved the Lord, his family and many dear friends. He served our Lord, his family, friends and his country. Well done good and faithful servant. You are Home!

“ Phillip / Phil as many of our Fuchs Systems friends called him, was always such loving and kind person, co-worker and boss to me. I can still hear his precious laugh and his caring hugs 😊. He will be missed and I am so thankful he is now in the arms of Jesus...in no more pain and waiting a long with so many friends and family already in Heaven for the rest of God's children to join him for our eternal home. Polly, you and your precious family are in my thoughts and prayers. Love you and may you all sense our Lord's presence around you and give you peace and rest.
