“ Rach El was a dedicated employee at the NC Housing Finance Agency for many years. She brought a spirit and attitude, not counting the many colorful stories, that brightened many days. May she rest in peace. I can remember her leaving our parking lot after work in her convertible, with the top down and a smile on her face!

“ *I worked with Rach El for several years in Raleigh. No matter how bad any of us felt, she would come into the office and make all of us feel great. Rach had a wonderful smile and laugh. She will be missed. Not only were we co-workers, we became good friends and would visit each other when she still lived in Newton Grove. She knew how to be a good friend. When she would come to Raleigh, all of us would try to meet her at Roma's for lunch. -Wynn-Ann*
