“ I have so many great memories of mama Fite one that first came to mind today was when we found that someone had left a litter of kittens on my bus. They had been left over night and were hungry and thirsty, so after I ran my route Robin and I went to the cafeteria to find her mom she helped us get food and milk to the kittens til we could get them to a safe place. She was always there for all of us she was the sweetest, kindest lady I think I've ever known. Heaven is a very lucky place with her there. I am so sorry for your loss I know all of you will miss her so much. Our prayers and thoughts are with everyone.
