“ *Awwww 😊 Rachel was my babysitter back in the 1970's when school let out for the summer. I really liked Rachel and going over there! I remember their dog King got loose off the chain and I scraped up my foot ankle climbing a tree to escape him and then it got infected and had to go see Dr. Tannehill. Rachel used to want me to help her make up her bed and sweep everyday and that cookoo clock Mr. Poole got in the war from Germany used to go off every hour and I'd sit there on that little step waiting for it to go off. Her name is where I got the name Rachel from and named my daughter Rachel too. 😊 She was a so nice! Blessings to all the family.*

“ *I truly love Rachel with all my heart. She was always so good to me as Wendy was my best friend in the world. I will miss them both until I see them again. Many prayers for their family at this time. Love Tammy*
