“ *Mrs. Edwards was work mom to the Kinston Radiological girls. She would look out after us and treat us as her own. I have so many fond memories of her from the time i was a teenager and she lived a couple of blocks away and then working with her as a xray tech for most of my life. Her fruit cake cookies will always be a delicious memory as her famous chicken salad as well. Mrs Edwards had an energetic personality so full of life and working and knowing her was such a pleasure. Mrs. Edwards you will be greatly missed by your friends and family. I like to think of myself as your family. Rest in peace my dear friend!*
