“ I am so sorry to hear about this. Randall was one of my friends and has been for a long time. We were big Miami Dolphin fans. He used to work with me at Food Lion. He was a super guy, with a positive attitude towards life. He will be greatly missed. He is an angel among us now.##imported-begin##teresa doby##imported-end##

“ Sis, Tayrn, & K-la,  
I am here for you all, whatever the need. All of you are in my prayers. I have so many fond memories of Randall, especially when we would cut up back in the day, making silly family videos like Gangster's Paradise with our girls. His crazy dancing, that only he could do, would make me laugh so hard. I know that this is a very tough time for you all, and I pray that God will bring each of you comfort in these coming days. God bless you, and I love you so very much.. Sony##imported-begin##Sonia Hunt Gibbs##imported-end##
