“ I will always remember uncle Ray by his joking and laughing. Some jokes not always funny but the humor he put into them would make them funny. Most of all was he called me his "other daughter." Telling me that Sharon and I were sisters because we favored so much, even our voice. That we needed to match our hair color and we would be twins. I remember Ray and Sue coming over to see mom and dad and they liked him so much. God Bless you Aunt Sue. I will miss him so much. May God watch over you and your family and give you peace. Love Suzy❤️

“ At this moment the Sun is at his back, the wind blows in his favor and he is getting ready to tee off on the greenest fairway that only the almighty could design. Heaven became a little more jovial today because it now has Uncle Ray telling the jokes.
