“ Raymond man I can't believe your gone, being your personal assistant for 10 years with all the stories you shared, all the laughs, the tears, the Raymond lingo “there's a loose connection between the seat and the steering wheel”, through all the good times and the bad I have so many memories I'll keep with me!! I love you and your family like they're my own, even got a best friend (Kaitlyn) from working for you. As much as Damion tortured me for fun, it was the best days of my life. So this final one is for you until we meet again “10-19 download reload” May you rest in peace my friend!
