“ Hello. I am sorry for your loss. When we lose a loved one it hurts so awfully bad and we wish that we could just see them or talk to them one more time. I hope that you take comfort in the Bible's hope at John 5:28, 29 where it tells us that our loved ones can be resurrected! How comforting to know that God cares for us so much that he made this provision for us. Please take comfort in this fact and I hope it helps you cope just a little bit more.##imported-begin##Marlena Moore##imported-end##
