“ *Becky was one of my dearest friends in The Villages. She was always laughing and helping others. We had many a good time with her and Hal for years. She is a peace as she was not the Becky we knew for a long time. Rest in peace dear Becky. Love you*

“ *Becky and Hal lived for many years at Alpine Lake Resort. During that time many of us came to know and love her. We golfed together and she taught many of us how to play pickleball. I loved her genuine caring personality. She was always on the go and brought so much joy to all of us blessed to know her. Our condolences to her family.*

“ *Becky and Hal were our neighbors at Alpine Lake (Terra Alta, WV) so we were lucky to have had the pleasure of knowing them in fun times. We played golf and pickle ball together many times as well as enjoying a meal and friendly chats together. On one of those chats, we found out that she and Hal had a tie to another friend of ours, a pilot for American Airlines, Gene Couvian. As a new quilter, Becky was my go to advisor when needing help. She was my copilot when we played with the WV Women's Mountaineer Golf League and traveled to other golf courses around the state. I believe we had much in common and enjoyed each others company as did our husbands. I am only sorry that we were unable to visit with her on our way To Texas this year and thought we might see her on our way back, but that was not to be. She and Hal were always in our hearts and will remain so with our prayers. She and Hal are now once again together with other family and friends and will pave our road to when we too should visit again. God bless your families and know The Lord has a place for them in his House. Lorraine and Bob Hart*
