“ I knew Rebecca through Myspace and years later we ended up being enrolled in the same class at Aveda... Because we already knew each other, we bonded and became close during our time at Aveda. We even decided to get matching tattoos! I am so happy she was my friend, Rebecca and I would do nothing but laugh when we hung out. Rebecca was truly one of a kind, beautiful, and a loving mother... We kept in touch on and off after we graduated.... The last time I spoke to her was in March. I found out she passed two days ago. I am so sadden by this and I can't stop thinking about her now. I am so sorry for your loss Kathy and Berry.... I don't know if you remember me Kathy, but we had all had lunch together after our final to move into the spa at Aveda. Here are just a few pictures I have of Rebecca and I.
