“ Tonda, We were so sorry to hear about your husband. May God please give you and your family peace to know he is being taken up where there is no more suffering. We miss those we love but we can celebrate to know they are in the most beautiful place of all. We will all be together again someday and that is what makes us go on living each day. You have your children and grandchildren to enjoy. Hold on and hug and love them each day. We love you and want you to know we are here for you if you need us. May God Bless!##imported-begin##Kenny, Carol, & Andrew McCombs##imported-end##
