“ I just heard the news today. To Beth and rest of the Marshall family I offer my deepest sympathies. I had the pleasure of working with Rick for 8 years at Seymour Johnson AFB. He was always upbeat, fun loving, and a pleasure to work with. I have missed him since he left the position here and miss him more knowing that he gone. He always had a way of putting a smile on your face or cheering you up when you were down. He also had a distinct down to Earth wisdom that I admired greatly.

*I know nothing else to say other than he will be remembered with all affection.*

*My God Bless and keep you all.*
