My wonderful, loving husband. We would have celebrated our 18th wedding anniversary on August 20th, after dating and being together 21 years. We had wonderful, loving times together with all our children, white water rafting, camping and trips to the beach and Maine and so much more. I will miss you and always love you until it is my time. Our favorite sayings to each other: You always told me "I Love You More Than Chocolate", and you loved your chocolate. I always told you "I Love You More Than Ice Cream" and you know I have ice cream Every night before I go to sleep. We have those plaques made in our home to remind us how much we love each other.

“ Jeff and I were very saddened to hear of the loss of Richard. Cat, you and Richard were such good friends to my Mom and she loved you both so very much. You both will never know how much you did from love and support to me when Mom passed away. You guys were always there for me if I needed anything. Jeff and I still cherish our memories of our last get together at your house. That was such a wonderful day. We enjoyed spending the day with you both. I'm sure you know but we want to stress that we are here for you anytime you need us or anything. We just hate Richard's health never improved so we could have another wonderful day together. We love you and will miss this sweet man. He loved you unconditionally as do we!💕
