Tribute Wall

“ My condolences and deepest sympathy to Bill, Kim, and David and all the Stewart family for their loss. 'Big' Bob was such a great guy and just a wonderful human being. During my college days with Bill and upon visiting Big Bob and Sparky, it was obvious how much they enjoyed and loved their children as well as life. He will be sorely missed.

“ Boom, so sorry to hear about the loss of your father. We all have moved beyond Salisbury but it certainly remained home to your parents as well as mine. There are lots of great memories in the "bury". Great memories will carry us forward.

“ Bob and I go back many years. He has pulled me out of the fire many times in the middle of the night when I was Purchasing Supt. at Hoechst Celanese and we'd have an emergency with a mechanical seal that only CGR Products provided. I considered him a very good friend, too. He'd always call and get my "order" for fish during his Fall trips to the coast. My late husband, Don, played golf with Bob, and always at the Purchasing shows at Myrtle Beach after which we'd all go out to dinner. We'll all miss his laugh and sense of humor, too. As much as he missed Sparkie, he too, will be missed. My sincerest sympathy to you all and may God keep you in the palm of his hand.##imported-begin##Vicki Pierce##imported-end##
