“ Dear Sandra and Derek and Marisa,

I am so sorry to hear this. I have such wonderful and sweet memories of Lanny and all of you. Lanny always made me feel special. I remember as a little girl, how he took me to the store and gave me a penny bag to fill with candy. I will miss him and will pray for all of you. May God grant you peace and strength through the coming days and beyond.

Love to you all,

Kelley Steele

“ *Sandra, Derek, and Marisa,*

Lanny brought such joy to me and to my family over the years. When I was just a little girl and my family would visit from New Jersey his mom and dad would have me visit with them for the week that we were in North Carolina. I did not have a big brother and so I thoroughly enjoyed getting to know Lanny. His smile was so big... he always made us laugh... and he always made me feel special. The picture you chose for him was perfect!

It touched my heart when you both, Sandra, came to John's funeral. Thank you.

I know that Lanny was not doing well then. But he came anyway. Lanny loved his family. Lanny was a good cousin to me! He always touched my heart!

You all are in my prayers!

Sandra and Family

Thinking of you and family during this sad time. I know Lanny wasn't to happy in a care facility! I used to see him getting his bicycle ready for the next trip and always wondered why anyone would get up early to ride a bike! David always enjoyed mowing yards with Lanny. Must have been good for him. David is still mowing.

Lanny was a good guy and fun to be around. Sorry for the last couple years our health issues have kept us from being the neighbors we like to be. Our love and sympathy and prayers to all of you !
