“ *I'll never forget the day Papaw got his tractor. He talked for months about getting one and after a lot of persuasion he finally got it. It had been snowing at the house and he told me he was going to get the tractor to scrape the driveway. Next thing I know he comes up the driveway with a big green johndeer tractor. And every time he was on it, he was always smiling. He will be missed everyday and will never be forgotten.*
