“ *My condolences to family and friends. Robert was my first serious boyfriend. We were 14. Many fond memories and a special place in my heart forever. Rest easy Robert. I wish I could have helped. I'm sorry sweetheart. To his beautiful daughter and handsome son, I'm so very sorry.*

“ *I'll never forget Robert's humor at West Rowan where he was a fellow classmate of mine. I got back up with him many years ago on Facebook. I was really impressed with his musical ability and talent. I got to hear him on RivernNation. He always gave me a great thata boy for being a veteran of the armed forces and I gave him one as well. The world and his family lost a very good man and a talented musician. I'll miss his humor. He always wanted to keep you laughing.*

“ I remember Robert well in school at West. He was one of the class clowns of 82. However, he matured and became a veteran of the military which is very honorable. I also liked his musical talent. Robert was very gifted on the guitar and with the harmonica. I think everyone should visit River Nation and hear some of his tunes. Robert and I both went through a lot of the same things in life that I've heard in his music. My deepest sympathy goes out to his family and friends. He will be truly missed. Class of 82 classmate Go rest high on your mountain brother.
