“ Our family is deeply saddened to learn of Robbie's dad's passing. He and Miss Harriet reared a fine son that I was proud to be friends with in high school. Our prayers and thoughts are with all of Mr. Rob's family. I remember thinking what a kind man he was when I met him many years ago. ~Cynthia Schenck Pegram

“ I remember Rob (Robbie to me) and his shy smile, few words and dedication to Harriet (my cousin) and the children over many years. His gentleness and attentiveness with Harriet, in her delicate medical state, at such a relatively young age always impressed me. And then he started having his own medical issues. The last time I saw him was in the doorway at Harriet's nursing home location - standing aside and flashing those quiet dimples as we laughed at something silly. My heart goes out to dear Harriet, Robbie and Julie and families ... and all who knew and appreciated Robbie. Prayers for God's peace and grace to you all. Raye Rufty
