“ *I didn't have as much chance to get to know Roger as I would have liked, because he and my mom met and married after I moved to California. However, he brought abundant joy and love to her life, and for that I will always be grateful. During the times I did spend with him, he was always gracious, kind, and generous, even when our large, enthusiastic family was a lot for anyone to handle. I'm so glad Mom got the time with him that she did.*
