

Ronald Andrew Eidson

December 15, 1953 - September 6, 2021

Ronald (Ronnie) Andrew Eidson passed away unexpectedly on Monday, September 6, 2021 at his home.

He was born in Salisbury on December 15, 1953 to the late George F and Margaret (Miller) Eidson. He was preceded in death by his youngest son, Michael Andrew Eidson.

Among the many left to take solace and comfort in his memory are his son, Daniel Ducannon (Duke) Eidson, his brother George Steven (Steve) Eidson, his sister-in-law Candace Eidson and his nephews Drake and Elijah, as well as his niece Katelynne.

When not working as an environmental chemist for Duke Energy and the NC Wildlife Resources Commission, Ronnie possessed the rare combination of natural ability, drive and determination that allowed him to excel in his various athletic and outdoor pursuits, among which were softball, golf, hunting and fishing. However, it was not the success or accolades that he most enjoyed, but rather the numerous friendships he fostered along the way that he truly cherished. He will certainly be missed by many.

Service: A Celebration of Life will be held at a later date to be determined.

Memorials: In lieu of flowers, memorial donations may be directed to St. Jude Children's Research Hospital, which can be accessed through this link: https://www.stjude.org/donate/donate-to-st-jude.html?sc_icid=header-btn-donate-now

“ So sorry to hear that Ronnie passed away. When Ronnie was born, my family, Avery and Mary Waller, my brothers, Jim and Bill, and I, lived across the street from George and Margaret. I was at their house often and often carried Ronnie around because he liked to be carried. He was a precious baby. I was 12 years old. We later moved and I lost track of the family. I have wonderful memories of them.

Thoughts and prayers for your family. 💕
