“ I was so sorry to hear about the passing of RosaLee. She will be greatly missed. She was always so sweet and pleasant to be around and was my favorite aunt. She was such a hard worker at all she did. I remember how she used to love working out in her yard and that's where we found her many times when we visited. I will always remember her and what a great friend & big sister she was to my mama. Mama speaks of her often, and knows that they will be together again one day. You all are in my thoughts and prayers during this difficult time. Love, Vickie Mabe Warren
