“ Janet, Shannon, John

*I am very sorry to hear of Rose's passing. I have not seen or heard from her since she left the VA. I knew that she had a chance of getting cancer for her skin cancer. I do not know how she died. I called every funeral home looking for her until I read the newspaper.'*

*I have known Rose since 1953 when she was 3. Our families shared the same duplex. Rose and I had the same birthday- November 3rd. Janet you remember.*

*I called her a number of times but never got a response and I would have guessed that she got a cell.*

*I miss Aunt Edna and I know that Rose did too. Now they are together.*

*Rose was like no other person that I have ever known. I liked her very much.*

*Please call me when you can.*
