“ Your mother was a very sweet and caring lady. I went through all grades with son Milton at the Ramseur School. She & your dad shared many beautiful memories with me when we would meet at the Post Office a few years back.

She insisted for us (friends of Milton) to visit her and that precious baby boy in the hospital when you were born. I was an only child and thought that was the most wonderful thing that God sent you into that loving family.

*May God comfort you now and in the days ahead.

“ I met Ruby and Victor through the Order of the Amaranth which they were loyal members of as long as their health permitted. They were so sweet and kind to me. My grandson thought she made the most delicious caramel cakes and has mentioned them many times. She was a beautiful seamstress and helped me with evening gowns many times. my heart goes out to her family as she will be missed. Please keep all the good memories of her in your hearts. She is happy and with Victor now.
