“*Ruby and Floyd helped my parents during Mother's fight with cancer more than anyone I know of. Sandy and I lived in Georgia during that time, and could not be there for my mother very often. Thank God for Ruby and Floyd!! I will never forget their kindness and love. Sandy and I visited her as often as we could since that time. She was truly a great lady.*

“*We moved to Woodfield in 2002 and Floyd and Ruby were two of the first people we met. Both of them were very kind to my mother Mary, myself, and my wife Mickey Jo. Many days went by seeing them sitting on their front porch as we were leaving or coming back in. Always a welcome sign. Ruby and my mother shared a love of flowers. People came and went in our neighborhood over the years but we could always count on Ruby. In the last couple years after mom has passed, Ruby told me Dustin wanted to buy his first house and it was a perfect fit. Even in today's sadness, I catch myself still looking over to see if she is home. Ruby is home now with her beloved Floyd. God bless both of you and prayers for the family in the coming days.*

“*Ruby and Dare were the first people I met when I moved to this neighborhood. We became good friends and spent many years together along with our dogs Nicky, Meg and Oreo. We laughed and cried and shared memories. I will always remember and love Ruby.*

“Ruby was always a joy to visit and share communion. Her love of the Lord was just as great as her love for her family. Faith like hers is rarely seen in younger generations and is a role model for others. Her love for Christ and knowledge of His love for her sustained her for her 100 years of living. Today, she is at peace from her health struggles. I will treasure her smile always.
